

# Welcome to the Badby Advent Trail!

Follow the trail around the village – (you might need a torch if it's dark) the map on the right gives you the approximate locations of the clues but follow them in order to put together a special message. Each clue contains two words write the top one on the top line and the bottom one on the bottom line.

All the clues look something like this;

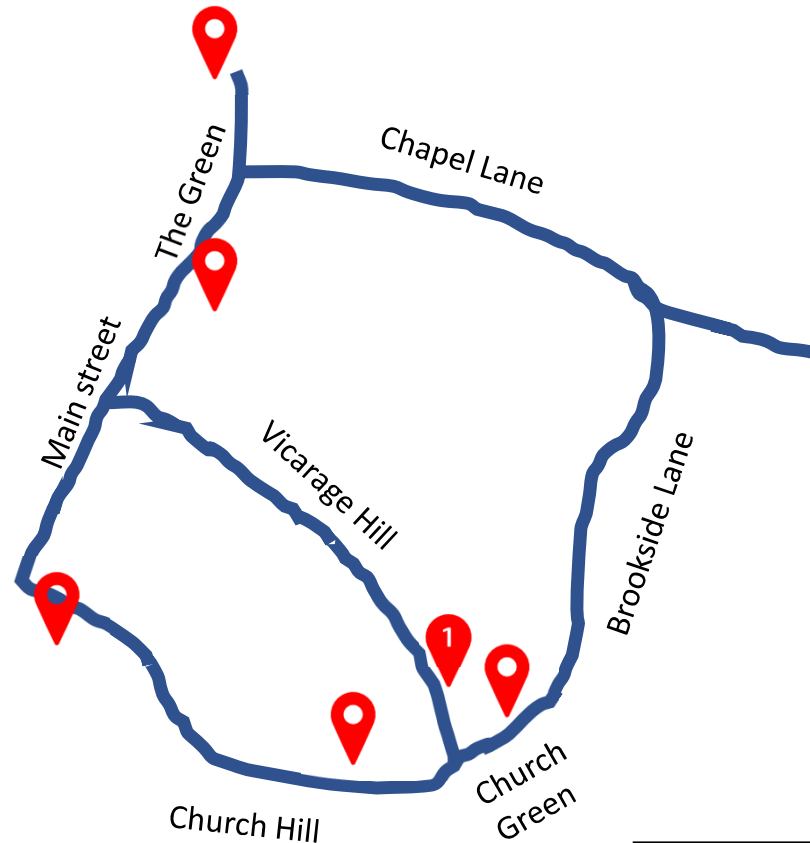

And you will find them stuck to windows. Each clue tells you where to go next.

Each clue has a nativity character on as well because they seem to have wandered off around the village. Can you make a list of them too as you find them?

The first clue is by the front door of The Vicarage on Vicarage Hill.  
Good luck!
